# R Safe P Residence Program

TIPS to avoid the  
Theft / Stealing

## **Advice to prevent theft or stealing:**

- **At home keep doors and windows closed, reinforces the lighting in terms of residence and if possible put fence and railings.**
- **If you are alone at home be sure they do not realize, pretend to be accompanied by family or friends and call for them.**
- **Always have the phone numbers to be able to communicate with someone, especially with the local GNR or 112.**
- **When you leave your home for several days, tell your neighbors and the GNR.**
- **If during the night / day someone knocks on your door, do not open immediately, always ask first who they are and what they want.**
- **If you hear shooting of firearms or strange noises outside, tell the local GNR or 112 immediately, do not go out to see what happens.**
- **During the night / day if someone asks you something or money to an institution, check the name of it and the credentials of the person concerned.**
- **If feeling observed by a stranger, should immediately inform the GNR**
